

MEDIA RELEASE

September 2018

CompriShield™ turns 2!

Have you updated your marketing material?

It's officially been two years since Joyce launched *CompriShield*. *CompriShield* is a natural, sustainable, bio-based microbial control solution derived from coconut oil.

*CompriShield* is one of the most comprehensive treatments on the market. It provides persistent **antibacterial odour protection** for all foam products, as well as **mould and mildew resistance**.

The **clean, green and sustainable properties** of the product ensure it's the best choice for your customers and the environment.

If you'd like more information about *CompriShield*, or need new marketing material to help sell the benefits to your customers, please contact Customer Service at [sales@joyce.com.au](mailto:sales@joyce.com.au) or on 1800 021 304.
