

MEDIA RELEASE

September 2018

The warm weather is finally back - it's the perfect time for an outdoor furniture revamp!

Dricell™ is our range of open-cell reticulated foams. It's ideal for outdoor seating, marine upholstery and foam applications that are exposed to weather and wet conditions.

- Dricell is designed to prevent water absorption.
- Unique to Joyce Foam Products, Dricell foams are available in a number of different comfort feels.
- It's also covered by a comprehensive warranty of up to 3 years on all seating applications.

For more information about using Dricell in your outdoor furniture, call our Sales team on 1800 021 304, or email [sales@joyce.com.au](mailto:sales@joyce.com.au)
